Every job posting, with its source and its history.

Postings from employer career sites, public employment services, and job boards, coded to SOC and NAICS and captured daily. Every record links back to where we found it, and no day is ever rewritten.

PROVENANCE

Every record has a receipt

- A source link and capture date on every posting
- Posted and last-seen dates
- Removals recorded the day they happen

HISTORY

Point-in-time

- Posting history back to 2024
- Daily snapshots since September 2025
- Each day stored once, never rewritten

DELIVERY

Take it your way

- Jobs API with a free key
- Daily CSV extracts and bulk history
- Redistribution terms agreed up front

Who uses it

- State LMI offices
- Universities and researchers
- Corporate strategy
- AI agents
- Workforce boards
- Investment research
- HR tech platforms
- Newsrooms

SAMPLE RECORD

Example Corp (EXMP): 1,890 live postings, +17.2% in 90 days.
