metaintro

FOR INSTITUTIONS AND EMPLOYERS

Know who's on track, who's stuck, and why.

No app, no login. People text a career agent for openings and interview practice, while your staff see who's stuck and why, and leadership sees outcomes as they happen.

THE PEOPLE YOU SERVE

A job search by text

- Works on any phone, nothing to install
- Live openings with pay, distance, and a link to apply
- Interview practice for a real role, any time

STAFF

Time for who's stuck

- Who has gone quiet or fallen behind, and why
- Internships and placements in the same record
- Text someone in one tap

LEADERSHIP

Outcomes in one view

- Placement and internships against your goals
- Every figure traces back to the people behind it
- Export in NACE and funder formats

Who it's for

- Higher education
- Employers
- Workforce training providers
- Public agencies
- K-12 and CTE
- Outplacement
- Nonprofits
- Labor market data

BY TEXT
